

FEES 2023

ROOSEVELT PARK PRE PRIMARY SCHOOL

As a not-for-profit community school, fees are determined by the school's projected budget for the year ahead and enrolment.

Our fee increase is taken with careful consideration by the committee which is committed to the long-term sustainability of our school and cannot compromise on the children's experience, equipment, teachers' salaries and other essential costs for the effective management of the school to provide for a complete environment to educate your child.

While every effort has been made to keep the fee increase to a minimum, a slightly higher increase is required this year, because of ever increasing costs and accelerating inflation.

To ease the burden of the increase, we are excited to introduce the "RPPS referral rebate" incentive for successful referrals, which equates to a R2,000 fee rebate for each referred child enrolled at RPPS. Details of this are given in the attached leaflet.

- ◆ Our fees for 2023 are **R50,710.00 per child**, an increase of **R3,740.00 extra per annum**, **R935,00 extra per term** (x 4 terms), and **R340.00 extra per month** (Payment over 11 months).
