

ROOSEVELT PARK PRE PRIMARY

FEES 2024

As a not-for-profit community school, fees are determined by the school's projected budget for the year ahead and planned pupil enrolment. We endeavour to cover all costs in our fee structure except for extra-murals. Our overall increase of fees for 2024 is **5.21%** - which is below inflation.

Our fee increase is decided with careful consideration by the Committee who are committed to the long-term sustainability of our school, without compromising on:

- Our specialist ECD-qualified and experienced teachers' salaries
- Nourishing food, safe equipment and ample stationary
- The effective management of the school
- Compliance with both government and the Independent Schools Association of Southern Africa rules, policies and certification in the ECD sector.
- **The children's learning-through-play experience**, to provide for a **complete environment** to educate your child.
