

ROOSEVELT PARK PRE-PRIMARY - FEES 2026

Dear Parents,

As a not-for-profit community school, our fees are determined by projected budget for the year ahead and planned pupil enrolment. We endeavour to cover all costs in our fee structure except for extra-murals.

In an effort to keep our fees as competitive as possible, our overall increase of fees for 2026 is **4.49%**.

Our fee increase is decided with careful consideration by the Executive Committee who are committed to the long-term sustainability of our school. As part of our fees review for 2026, the Committee have carried out a detailed benchmarking exercise to ensure that we continue to offer competitive value, maintaining our ethos and our not-for-profit status.

The Roosevelt Park Pre-Primary unique offering includes:

- Our specialist qualified and experienced ECD teachers' salaries
- Nourishing food, safe equipment and ample stationary
- The effective management of the school
- Compliance with both government and the Independent Schools Association of Southern Africa rules, policies and certification in the ECD sector.
- **The children's learning-through-play experience.**
